

## **HVAC Commissioning Services**

HVAC commissioning services for new buildings, as well as HVAC recommissioning and retrocommissioning for existing buildings. Services include facilities assessment, testing, and monitoring, and new building performance modeling, analysis, and re-optimization processes for existing buildings.

## **Electric Vehicle Charging Stations**

Complete turnkey solutions for Level 1, 2, and/or 3, networked and non-networked electric chargers. Services include design, project management, installation, testing, maintenance and customer/driver support.

## **Fine Copy Paper**

A re-tendered agreement for acid-free, coloured (including assorted colour cartons), virgin and recycled paper that is environmentally-certified.

## **General Hand Tools, Maintenance, and Safety Products**

Thousands of products from hand tools and power tools to machinery, lubricants, safety and security products.

## **Residence Furniture and Mattresses**

A wide selection of residence furniture and mattresses and related services including beds, bookshelves, sofas, kitchen tables, chairs, study desks, and customizable mattresses and mattress covers to fit modern lifestyles and living spaces.

## **Software Licence Products and Related Services**

Enterprise and software license products, including the option for individual purchases or volume-based arrangements on a wide range of software, and an accredited Microsoft Licensing Solution Provider (LSP) with live support from 200 technical experts.
