Comprehensive Support Services

In addition to products, our awarded supplier partners are committed to providing a full suite of services:

- Planning Support
- Warranty Coverage
- Lifecycle Management
- Installation & Deployment
- Configuration & Imaging
- Monitoring & Management

Why Choose OECM's New EUC Agreement?

Proven Track Record of Collaboration Since 2012

Building on over a decade of successful consultation and collaboration with Ontario's Education, Municipal and Broader Public Sector customers and supplier partners, this 3rd generation agreement incorporates enhanced benefits and greater value and cost savings.

Exceptional Discounts and Immediate Savings

Enjoy exceptional discounts delivering maximum value and savings for your organization.

Expanded OEM Offerings for Greater Selection

Building on the trusted OEMs such as Dell, HP/HPE, and Lenovo, this new agreement is expanded to include Acer, Apple, and other OEMs like Cisco, Hitachi Vantara, NetApp, Pure Storage, and Super Micro.

Exclusive Pricing for OECM Customers

Access **Most Favoured Customer Pricing**, available exclusively to OECM customers.

Fully compliant with BPS Directives and Applicable Trade Agreements

OECM agreements are compliant with Ontario's Broader Public Sector (BPS) Procurement Directives and applicable Trade Agreements.

Dedicated Resources and Exceptional Customer and Supplier Support

OECM's Customer Relationship Management (CRM) and Supplier Relationship Management (SRM) teams are dedicated to supporting your organization at every step, from transitioning to the new agreement, onboarding with a new supplier partner, responding swiftly to your inquiries, and issue resolution.

Awarded Suppliers & OEMs

The agreement includes 11 awarded supplier partners, offering a wide range of products and services from various OEMs providing greater choice and flexibility to meet your unique needs.
