

## An OECM Approved Recruitment Vendor

When urgent staffing needs arise, finding qualified people fast can be difficult. That's where Aplin comes in. For over 50 years, Aplin has been a trusted, Canadian-owned recruitment partner helping organizations build the teams that keep our communities running. Recognized as one of Canada's Best Managed Companies and among Forbes' Best Recruiting Firms, Aplin delivers talent with speed, precision, and care.

We provide flexible staffing solutions designed to meet your unique workforce needs:

- **Temporary & Contract Staffing:** Short-term coverage when you need it most or skilled professionals for project-based or seasonal work
- **Permanent Direct-Hire Recruitment:** Proven processes to secure lasting hires

## Areas We Staff

Our expertise spans multiple disciplines, ensuring you have access to the right talent:

- Administration
- Finance & Accounting
- Information Technology
- Engineering & Technical
- Supply Chain & Logistics
- Operations

## Getting Started with Aplin

Your partnership with Aplin begins with a conversation. Reach out to your dedicated Aplin Account Manager to start building the relationship, ask questions about our recruitment process, and learn more about the types of candidates we can provide.

Once you're ready to move ahead with a specific hiring need:

1. Contact your HR, Procurement, or Talent Acquisition team to make a formal request for Aplin through OECM.
2. Once approved, you'll be connected with your Aplin Account Manager to begin your staffing request.
