

OECEM: Collaborative Purchasing Made Easy

Why Choose OECEM?

Save Money

- Access to exclusive pricing through OECEM supplier agreements
- Volume Discounts: Benefit from collaborative purchasing power across sectors
- No Program Fees: There is no membership or other fees to customers who wish to leverage OECEM agreements

Save Time

- Skip the RFP: Ready-to-use agreements eliminate lengthy procurement processes
- Fast Onboarding: Simple three-step process gets you purchasing quickly

Boost Efficiency

- Ensure Compliance: OECEM meets BPS Procurement Directives and trade agreements through an open, fair, and competitive sourcing process
- Share Expertise: Contract management support from OECEM and supplier partners

Traditional vs OECEM Cooperative Procurement

Traditional	OECEM
Time-consuming RFP process	Save time with ready-to-use contracts
Significant procurement costs	Save money with pre-negotiated pricing
Limited to single entity buying power	Leverage collaborative purchasing power

Getting Started is Easy as 1-2-3

1. Create an OECEM Account
2. Access Your Online Profile and set your preferences
3. Browse Agreements and Start Purchasing by completing the Customer-Supplier Agreement (CSA) and sending it directly to Wesco
