

Make Back-to-School Planning Simple

with Staples Professional

This school year, give yourself the gift of organization and peace of mind.

Back-to-school season doesn't have to mean last-minute orders, missing supplies, or delivery headaches. Staples Professional helps you stay organized and ahead of schedule so you can focus on what matters most — supporting your students and teachers.

Group Orders by Teacher or Classroom

Keep everything organized and easy to distribute with our Group Order tool.

Schedule Future-Dated Orders Now

Enter your back-to-school orders in eWay today and set them to ship automatically when you return. Supplies arrive when staff return and classrooms are ready.

- ✓ Secure supplies before the rush
- ✓ Eliminate last-minute ordering stress

Take advantage of Staples Professional tools designed to simplify purchasing, save time, and help your class start the school year ready.
